## IDEAS:

### Leverage the Power of 13,000+ Active Angels

#### TRUSTED CONNECTIONS

ACA connects you to an active, experienced community of premier angel investors with expertise and deals that drive returns. An ACA member ambassador connects you to benefits and best opportunities.

#### SYNDICATION

Join in ACA sector and regional group calls to gain access to deals and the power of shared diligence.

#### EVENTS

Large and small events help you explore best practices, compare notes, and nurture connections with seasoned angels who share your interests and offer complementary skills.

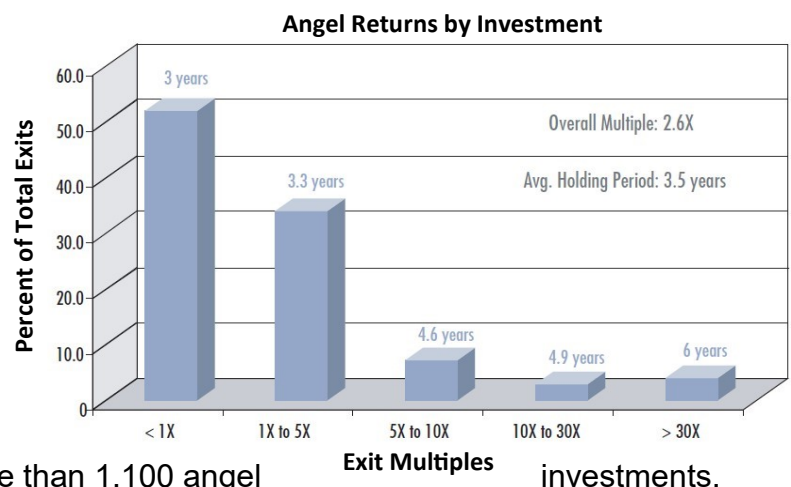

## RESOURCES: Access to Efficient Learning Tools

- **Deep Knowledge:** Online access to actionable articles, videos, templates, tool kits, research and perspectives, all at your fingertips.
- **Best Practice Webinars:** Stay on top of best-practices and trending issues explored twice per month with seasoned, experienced angels and thought leaders.
- **Powerful Voice:** As the voice of angel investors, ACA works to protect your angel investing interests and gives you a platform to share your voice on American legislative and regulatory issues.

## SMART INVESTMENT: Where the Action Is

- **Quality Deal Flow:** Join ACA sector and regional calls to gain access to deals market intelligence about sector trends.
- **Active, Experienced Investors:** Collectively ACA members invest more than \$2 billion per year in early stage companies.
- **Patient Portfolios:** The *Returns to Angels in Groups* report published by the Kauffman Foundation found the above distribution on more than 1,100 angel investments. With an overall average of 27% IRR, a diligent approach to deals and monitoring of portfolio companies has demonstrated strong returns over time.

## TAKE A LOOK AT ACA
