

Good morning,

BIG NEWS: At Canyon Angels, we're happy to announce that we just experienced our biggest exit with a startup to date! Back in 2015, several of our Canyon Angels members invested a little over \$100k into [Embody, Inc.](#) at a \$15M valuation cap. Today, Embody is valued at \$274M and was just acquired by a public company called Zimmer Biomet (ZBH). Each of our investors earned an 8x return on their investment!

UPCOMING: Our next pitch event is next Wednesday, February 8th, and you're invited! Here are the details:

- **Date:** Wednesday, Feb. 8th
- **Time:** 11am-1pm
- **Location:** Canyon Ventures Building, 5115 N 16th Ave, Phoenix, AZ 85015
- Lunch will be provided!
- [Register Here!](#)

At this event, you will get to hear 3 pitches from 3 different promising up-and-coming startups looking to raise money. You will also get to receive the inside scoop from our student-lead due diligence teams who were tasked to research these companies and present their findings to you.

To learn more about the companies coming to present and to register, [click here](#). Feel free to bring any friends and/or colleagues!
