The document has been prepared for the use of the recipient as qualified investor. It does not constitute an offer or an invitation by or on behalf of Fast Track to any person to buy or sell any security. Any reference to past performance is not necessarily a guide to the future. The information and analysis contained in this publication have been compiled or arrived at from sources believed to be reliable but Fast Track does not make any representation as to their accuracy or completeness and does not accept liability for any direct or indirect damages arising from the use hereof. The terms of the investment fund product described in this document are indicative only. The right to remedy any shortcomings which may be present in this document remains reserved. The final terms of the investment fund product will be set forth in the relevant offering document.

An investment in Fast Track shall entail substantial risks, including potentially the risk of loss of one's entire investment and is appropriate only for qualified investors understanding the risks involved. Before entering into any transaction, you should consider the suitability of the investment fund product with regard to your particular circumstances and independently review (with your professional advisers as necessary) the specific financial risks as well as legal, regulatory, credit, tax and accounting consequences. No investment should be made before having read very carefully the final fund prospectus as well as the final fund regulations.

This document is a personal copy addressed to you as qualified investor as defined above. This document may not be reproduced either in whole, or in part, and may not be passed to third parties without the written permission of Fast Track.

By accepting this handout or any of its pages you understand, accept and agree to the terms as set out above.

This document was produced by and the opinions expressed are those of Fast Track as of the date of writing and are subject to change.
