# Angel Group Resources

Members Only > Member Resources > Angel Group Resources

Experts within ACA's membership and other leaders in the field have developed several best practice tools and papers for use by members of the association. The collection includes actual term sheets, due diligence checklists, collaboration agreements, and group membership documents from ACA member angel groups:

Although these documents are for your use in angel group activities, they should remain private information.

- Collaboration / Syndication**
- Best Practice Templates and Papers**
- Term Sheets**
- Due Diligence Checklists and Reports**
- Membership Documents**
- Presentations**
