

ACA LEADERS WORKSHOP SPONSORS AND HOSTS

COOLEY LLC

Cooley represents hundreds of clients in a wide range of industries from offices in nine major commercial markets. We are counselors, strategists and advocates for the foremost private and public companies. We have a legacy of representing companies bringing to market breakthrough products and technologies and frequently argue cases that fall in new areas of law, brought about by technological developments. Our business and litigation practice reaches across a broad array of dynamic industry sectors, including technology, life sciences, clean tech, real estate, financial services, retail and energy. With 650 attorneys throughout the U.S., Cooley has the range and expertise to serve companies of all sizes to seize opportunities in today's global marketplace.

FOLEY HOAG LLP

Driving Business Advantage

Foley Hoag LLP is a leading national law firm in the areas of dispute resolution, intellectual property, and corporate transactions for emerging, middle-market, and large-cap companies. With a deep understanding of clients strategic priorities, operational imperatives, and marketplace realities, the firm helps companies in the biopharma, high technology, energy technology, financial services and manufacturing sectors gain competitive advantage. The firm's 225 lawyers located in Boston, Washington, and the Emerging Enterprise Center in Waltham, Massachusetts join with a network of Lex Mundi law firms to provide global support for clients largest challenges and opportunities. For more information visit www.foleyhoag.com.
