**Gust** is ACA's official software for administering angel investment groups. Gust's software provides a secure system to manage angel group deal flow and syndication with other angel groups and smart investors. The platform allows angel groups to capture deals, process them through a customizable work-flow process and collaborate with other investors. As the official platform of the world's leading angel and venture associations, Gust is the industry standard. For entrepreneurs, Gust provides the complete tool set for professional investor relations from pitch to exit. [www.gust.com](http://www.gust.com).

**OTC Markets Group Inc.** (OTCQX: OTCM) operates Open, Transparent and Connected financial marketplaces for 10,000 U.S. and global securities. Through our OTC Link® ATS, we directly link a diverse network of broker-dealers that provide liquidity and execution services for a wide spectrum of securities. We organize these securities into marketplaces to better inform

investors of opportunities and risks – OTCQX®, The Best Marketplace with Qualified Companies; OTCQB®, The Venture Stage Marketplace with U.S. Reporting Companies; and OTC Pink®, The Open Marketplace with Variable Reporting Companies. Our data-driven platform enables investors to easily trade through the broker of their choice at the best possible price and empowers a broad range of companies to improve the quality and availability of information for their investors. To learn more about how we create better informed and more efficient financial marketplaces, visit [www.otcmarkets.com](http://www.otcmarkets.com).

**Silicon Valley Bank** is the premier commercial bank for companies in the technology, life science, cleantech, venture capital, private equity and premium wine industries. SVB provides a comprehensive suite of financing solutions, treasury management, corporate investment and international banking services to its clients worldwide. Through its focus on specialized markets and extensive knowledge of the people and business issues driving them, Silicon Valley Bank provides a level of service and partnership that measurably impacts its clients' success. Founded in 1983 and headquartered in Santa Clara, Calif., the company serves clients around the world through 26 U.S. offices and international operations in China, India, Israel and the United Kingdom. Silicon Valley Bank is a member of global financial services firm SVB Financial Group (Nasdaq: SIVB), with SVB Analytics, SVB Capital and SVB Private Bank. #### WORKSHOP HOST

At [MassChallenge](http://MassChallenge) we help early-stage entrepreneurs win. We connect entrepreneurs with the resources they need to launch and succeed immediately. Our primary activities include running an annual global accelerator program and startup competition, documenting and organizing key resources, and organizing training and networking events.

#### WORKSHOP SPONSORS

**MDB Capital Group, LLC** is Wall Street's only IP-driven public venture bank, with over 15 years of experience launching disruptive technologies into the public markets. We maximize the value of disruptive technology companies by positioning them to attract growth capital, strengthening their IP portfolios to create sustainable competitive advantage, and connecting them with a base of high-quality investors with deep technology expertise. To support these efforts, we created PatentVest®, a fully-integrated analytic and reporting platform that measures, scores and ranks every patent and application in the USPTO database. Seeing value others do not. Creating value others cannot.

**PENSCO Trust Company**, founded in 1989, is an IRA custodian providing services to IRA accountholders investing in many alternative assets including real estate, private equity and promissory notes.
