Loan terms. On your terms.

One Innovative Lending Solution. \$250K to \$10M+ in lines of credit that grow when you do.

Now get affordable growth capital when you need it, even when the other banks say no.

With P2Bi's Bank Partnership Program you can get affordable growth capital when you need it, even when other banks say no. Meeting strict bank lending requirements can be tough. To help businesses like yours, we partner with private investors and banks to provide scalable funding through asset-backed revolving lines of credit at below market rates. So now you can grow your business the way you want.

C'mon, let's get growing.

Move to a lower cost, full bank loan as your business grows with P2Bi's lending platform.
