WEBSITE BIO

Alden Zecha is Managing Director of SideCar Angels, bringing extensive experience as an entrepreneur, investor, and business leader. He has angel invested in more than 75 companies across nearly 100 rounds and serves on the Board of the Angel Capital Association as Vice Chair of its Education & Smart Practices Committee. Alden previously founded and grew Sproxil to profitable operations in seven countries and served as CFO of Rethos, which was acquired by publicly traded Engagement Labs. He has also shared his expertise on entrepreneurship at the White House and is a Senior CASE Fellow at Duke University's Fuqua School of Business. With his depth of experience across entrepreneurship, angel investing, and investor education, Alden brings tremendous practical expertise and perspective to the ACA Angel University experience, offering students the opportunity to learn from a highly experienced practitioner and leader in the angel investing community.
