WEBSITE BIO

John Harbison brings extensive experience in entrepreneurship, early-stage investing, and leadership within the angel investing community to the ACA Angel University faculty. He serves as Chair of the ACA Data Analytics Committee and as a board member of grandPad. He is also Chairman Emeritus of the TCA Venture Group, where he has provided leadership and guidance across venture initiatives and early-stage investment networks. His experience offers Angel University students a valuable perspective on entrepreneurship, investing, and the broader angel investing ecosystem.
