WEBSITE BIO

Kristina Montague is an angel investor, fund manager, and author focused on increasing the number of women participating in early-stage investing and expanding access to capital for female entrepreneurs. She brings experience in organization-building, leadership, public speaking, business development, and networking. Kristina is also the author of *Jump In: Women Investing in Women, Growing Our Capital and Impact*. Her combination of investment experience, leadership, and commitment to expanding access to capital brings valuable perspective to the ACA Angel University experience, offering students the opportunity to learn from a passionate advocate and experienced leader in the investing community.

KEY EXPERTISE

Leadership; Organization-building; Public Speaking; Business Development; Networking
