WEBSITE BIO

Nicole Washington is a senior executive and entrepreneur with 20 years of experience in strategic planning, systems design, and enterprise software implementation across business, telecommunications, and government. She is the Founder and CEO of Micro Biz Coach® and Nicole's Naturals® Inc., and also serves on advisory boards spanning angel investing, AI, defense, and nonprofit organizations. Her breadth of experience across entrepreneurship, technology, strategy, and organizational leadership brings valuable practical expertise to the ACA Angel University experience. Nicole offers Angel University students the opportunity to learn from a seasoned business leader who brings a multifaceted perspective to building, scaling, and advising organizations.

KEY EXPERTISE

Start-ups; Entrepreneurship; Business Development; Leadership Development
